WIFE WAS FULLY COMPETENT

Absolutely No Necessity for the Professor to Meddle With Household Affairs.

Professor Jenkins was deep in a philosophical discussion with a visiting classmate, when his neighbor, Mrs. Ely, knocked at his study door and then opened it without further ceremony.

"O professor," she gasped, from the threshold, "your house is on fire!"

"Thank you," the professor responded, with smiling courtesy. As Mrs. Ely turned away, he added: "Would you mind mentioning it to Mrs. Jenkins as you go out?"

Mrs. Ely giggled hysterically. "But I can't find Mrs. Jenkins! She is not in the house."

"Not in the house?" The professor was momentarily dazed. Then his countenance brightened, and he visibly threw off all anxiety. "But she must have made some arrangements before going out. She always does. I am sure cook or Martha knows what she would wish done in such unusual circumstances."

Just then the fire department dashed up to the back door, and with it Mrs. Jenkins. She soon appeared in the study.

"It's all right, Theodore," she assured her husband. "We shall be able to confine the fire to the laundry; you won't be disturbed."

As she went out, gently closing the door after her, the professor remarked that Mrs. Ely was a good neighbor and a charming woman, but slightly impetuous.

"She ought to know by this time," said he, "that there is absolutely no necessity for me to meddle with household affairs. Dorothea is so entirely capable."—Youth's Companion.

SEEMED TO GIVE A NEW STOMACH.

"I suffered intensely after eating and no medicine or treatment I tried seemed to do any good," writes H. M. Young, Editor of The Sun, Lake View, Ohio. "The first few doses of Chamberlain's Stomach and Liver Tablets gave me surprising relief and the second bottle seemed to give me a new stomach and perfectly good health." For sale by all dealers.

SCOTCH SABBATARIANISM.

Looking out of the window used to be an indictable offense on the Sabbath. In 1709 the Kirk Session of Edinburgh, "taking into consideration that the Lord's Day is profaned by people standing in the streets, vaguing in the fields and gardens, as also by idly gazing out of the windows, it is ordered that each session take its turn to watch the streets on Sabbath, and to visit each suspected house in each parish by elders and deacons with beadle and officers, and after sermon, when the day is long, to pass through the streets, and to reprove such as transgress and inform on such as do not refrain."

ATTACK LIKE TIGERS.

In striving to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the white fighters are overcome. Then see pimples, boils, eczema, saltreum, sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the bloodwood purifier," writes C. T. Budahn, Tiboh, Cal. They make rich red blood, strong nerves and build up your health. Try them; 50c at S. E. McGeachy's.

Indigestion

causes heartburn, sour stomach, nervousness, nausea, impure blood, and more trouble than many different kinds of diseases. The food you eat ferments in your stomach, and the poisons it forms are absorbed into your whole system, causing many distressing symptoms. At the first sign of indigestion, try

Thedford's Black-Draught

the old, reliable, vegetable liver powder, to quickly cleanse your system from these undesirable poisons.

Mrs. Riley Laramore, of Goodwater, Mo., says: "I suffered for years from dyspepsia and heartburn. Thedford's Black-Draught, in small doses, cured my heartburn in a few days, and now I can eat without distress. Try it."

WOULD EMULATE THE EMU.

"We must wage this battle until we get our oppressor, man, reduced to the happy condition of the emu family," said the suffragette orator to her women auditors.

"When the lady emu decides that it is time to raise a family she sounds a call like blowing into the bung-hole of a barrel. Mr. Emu comes and scrapes a hole in the ground and by and by there are a dozen eggs there. The male sits on those eggs, hatches 'em out after eight weeks and then takes care of the youngsters until the next hatching season, when they go to the mother. Now that is equal labor and equal responsibility and it is what we women are entitled to."

"Good! Good!" shouted the auditors.—New York Sun.

An ordinary case of diarrhoea can, as a rule, be cured by a single dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. This remedy has no superior for bowel complaints. For sale by all dealers.
